AHMEDABAD

DIRECTOR'S MESSAGE

Dear COIS Parents,

Trust all is well at your end.

The last month of the Academic Year was very successful as the COIS parents and the COIS staff got to know each other better. Apart from visits to COIS by numerous parents - whom we always welcome on Campus - we also had a joy filled 'Mothers Day,' an interactive 'Fathers Day,' and an opportunity to pay our respects to the elders on 'Grandparents Day.'

Improvements

The improvements in the last one month are as follows:

- Increased Trust. There is a perceptible increase in the trust level of the parents in COIS. It is possibly due to the realization that we here in COIS are child - driven, and will ensure genuine development of the child in all facets.
- Teachers Training. Training of COIS teachers in India and abroad continues, so that the teachers are abreast with the latest teaching methodologies in their respective subjects.
- Increased Visibiity. Through a well coordinated media plan, the visibility of COIS in Ahmedabad has increased. Our aim is to make you feel proud that your child goes to the most loved School in Ahmedabad!

COIS IN THE NEWS

Food Guidelines. Since food is such an important factor for the physical and mental growth of a child, I am listing out a few **foods that are very harmful**. Parents are requested to ensure for their child stays away from these foods:

- Sugar.
- Packaged fruit juices.
- Aerated drinks.
- Pakoras.
- Samosas.
- Cholle bhature.
- Kachori's.
- Jalebi's
- Pickles.
- Jams.

Such foods are a guarantee to obesity and ill health. We want your child to be healthy, so parents please help us in that. Thank you!

We wish you a wonderful holiday with your children. Please do enjoy their company, before the Summer Break is over. Remember, **your child needs your presence more than your presents.**

Thank you.

Wishing you the very best,

Warm regards,

Colonel Atul Bhandari
